

PUBLIC NOTICE

Notice # 13385-01
March 13, 2017

This notice is to inform the public that the S. C. Department of Health and Environmental Control (Agency) is taking public comments on a Corrective Action Plan (CAP). This CAP addresses the cleanup of soil and groundwater contamination at the facility listed below. The contamination was caused by petroleum products that were released during the operation of the retail petroleum facility. Based on current data, the release does not pose a threat to human health or the environment and is eligible for a Conditional No Further Action.

FACILITY: Colonial Pipeline Company Spartanburg Delivery Facility Release #1,
180 Keltner Ave, Spartanburg, SC 29302

APPLICANT: Colonial Pipeline Company, PO Box 87, Paw Creek, NC 28130

SUMMARY OF CAP: Petroleum and petroleum byproducts naturally break down over time through chemical, physical, and biological processes. These processes are called natural attenuation. Periodic monitoring has been conducted by APEX, Inc., to ensure that the contamination has decreased and remains below levels of concern.

PUBLIC COMMENT PERIOD DEADLINE: The deadline for submitting written comments is **5 PM April 12, 2017**. Any interested person(s) may submit written comments concerning the cleanup to the Project Manager listed below. Please bring this notice to the attention of persons whom you know will be interested in this matter. Where there is a significant degree of public interest, the Agency will hold a public hearing.
